

"Dependable Solutions for Demanding Requirements"

Custom Electrical Manufacturing and Fabrication, Engineering Services, and Product Distribution

Intermountain Electronics, Inc. PA Engineering and Sales Office

Hello,

We are proud to announce that Intermountain Electronics, Inc. is once again increasing its commitment to the Mining Industry to those ends Intermountain Electronics, Inc. has made the commitment and investment to open an additional location to better meet your needs, we are now also located in the heart of the Northeastern Coal Fields.

Our new office is here to meet all of your needs; we have 1,800 Sq. ft of office space and just over 1,200 Sq. ft of warehouse space.

On December 1st, 2009 we moved into and started operations from our new PA Engineering and Sales office, this office is located in Washington County, Pennsylvania the address is:

**Intermountain Electronics, Inc.
201 South Johnson Road
Suite G06
Houston, PA 15342**

Currently we are still in the process of installing the phone system, as soon as we receive the land line numbers we will be forwarding those numbers.

We are planning an Open House for January 2010, details will be forwarded, however until then if you are in the area please feel free to give us a call or just stop by we would love to have you visit our newest location.

We would like to once again thank you for your previous business, and the confidence you have placed in Intermountain Electronics, Inc. and our entire staff.

We look forward to our working together in the future.
